PRESIDENT: Discussion? All in favor say aye, contrary say nay. The bill is advanced.

CLERK: Now Mr. President another motion to return. I move to return LB861 to Select File for specific amendment. Read amendment.

PRESIDENT: Senator Kime.

SENATOR KIME: Mr. Chairman, members of this body, this will put the bird stamp back from \$7.50 to \$5.00 and the turkey license from \$15 back to \$10. This will make it more compatible to the one, two and three day hunters and make the bill much more easy to pass. I am in favor of the bill, but I can't go along with it the way it is written now.

PRESIDENT: Senator Dworak.

SENATOR DWORAK: Mr. President, I'm not going to belabor this and have a long debate. We have debated this bill, we arrived at the fees. I think that they are right, I would urge the defeat of Senator Kime's amendment.

PRESIDENT: Senator F. Lewis.

SENATOR F. LEWIS: Mr. President, members of the Legislature I rise to oppose the amendment. I rise on this basis. If we are going to go through with this program, we are going to collect the money, a limitation of this type would not help. In fact, if this type of an amendment is adopted, I think for all practical purposes that the bill is very ineffective at that point and time. If you adopt the amendment, I would suggest that you kill the bill.

PRESIDENT: Senator Kime, do you wish to conclude debate on this matter?

SENATOR KIME: Yes, Mr. President. I think that if this bill goes through with the terrific range that they have put on these all of the licenses have been raised. They are due for a raise. But, these two, are the ones that cause the most kick-back from the people. If the bill goes through as it is now, it is liable to backfire on the whole program. That is a possibility. That is the reason that I want to put these two amendments on. They just pertain to two different things and won't hurt the program. It will help the sale of licenses.

PRESIDENT: Senator Dworak, for what purpose...OH, the question is shall this bill be returned for these specific amendments discussed by Senator Kime. Record your vote. Please vote. Record.

CLERK: 10 ayes, 16 nays and 23 not voting.

PRESIDENT: Motion fails. Read the motion.

CLERK: Read Senator Mills request regarding LB763.

PRESIDENT: Senator Mills.
